# GALLERY<sup>®</sup> collection

The Gallery<sup>®</sup> Collection three-layer construction provides exceptional strength, energy efficiency and dent resistance as well as a beautiful carriage house appearance. The 2" or 1-3/8" thickness of Intellicore<sup>®</sup> polyurethane or polystyrene insulation and thermal break makes these doors heat and cold resistant while the tongue-and-groove joint helps seal out wind, rain and snow. Available in short and long panels with multiple window options, the three-layer Gallery<sup>®</sup> Collection is virtually maintenance-free, so the first fabulous impression becomes a lasting impression.

**intellicore<sup>®</sup>**  
insulation technology

### Warmer. Quieter. Stronger.

Gallery<sup>®</sup> Collection doors featuring Intellicore<sup>®</sup> insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore is a proprietary polyurethane foam that is injected into a garage door, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, while its industry-leading 18.4 R-value provides year-round comfort and improved energy efficiency. Smart, indeed.

## COLORS

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint. Do not use oil-based paint.

*\*Popular in select markets, Glacier White is a brighter white.*

## CUSTOM PAINT OPTION

Color Blast™ offers more than 2,000 Sherwin-Williams® color options to complement your home. Clopay's durable factory finish has been thoroughly tested and is backed by a five-year warranty.

## ULTRA-GRAIN® PAINT OPTION

Ultra-Grain® Medium Finish

Ultra-Grain® Dark Finish

Ultra-Grain® Walnut Finish

- Painted steel surface simulates a real stained door without the need of staining and the ongoing maintenance of wood.
- Woodgrain runs horizontal on stiles and vertical on panels for an authentic, natural look.
- Available in Medium, Dark or Walnut finishes that complement Clopay Entry Doors, shutters and other exterior stained wood products.
- Exterior steel surface on an Ultra-Grain® painted door has a stucco texture to create a more natural woodgrain appearance.
- Window frames, grilles and inserts are color matched to coordinate with the Ultra-Grain® patterns. All window options are available.

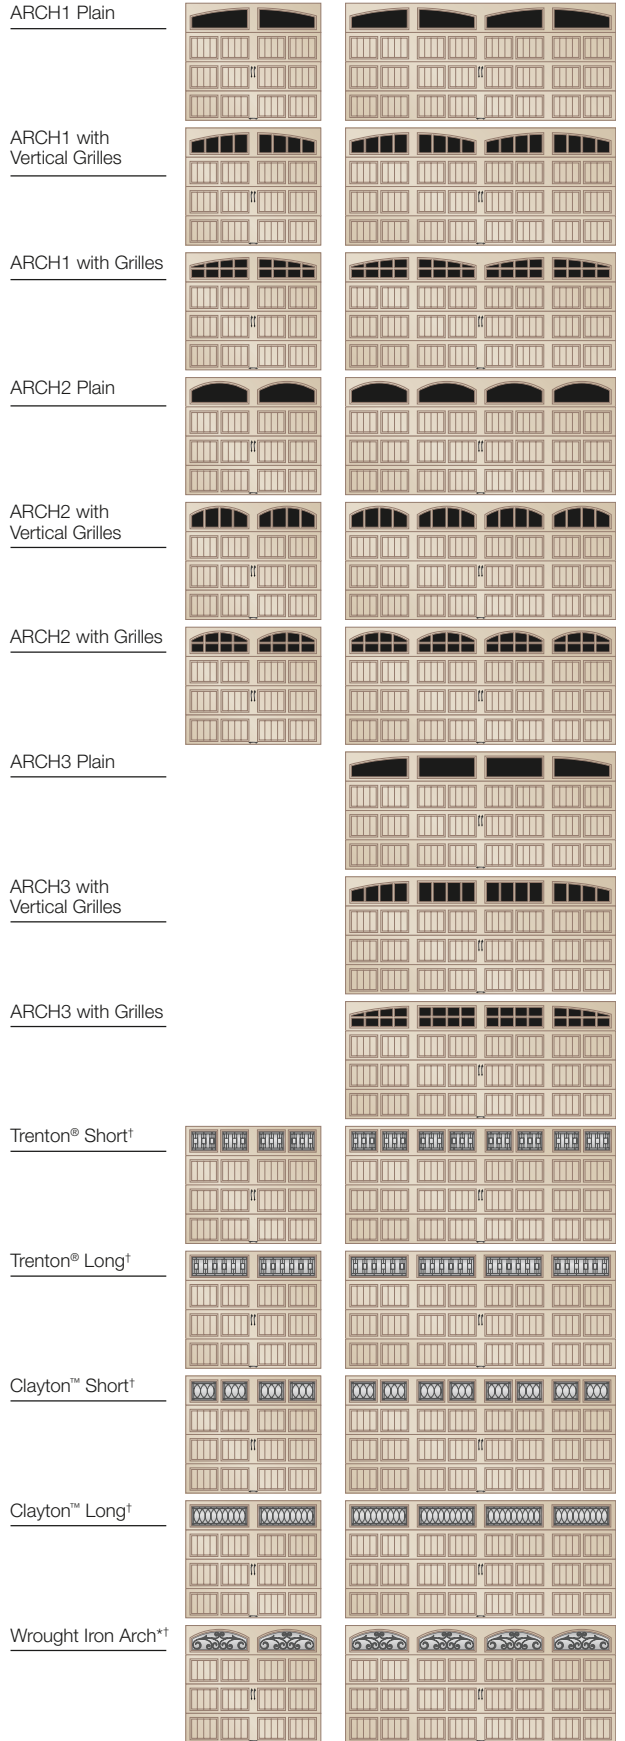

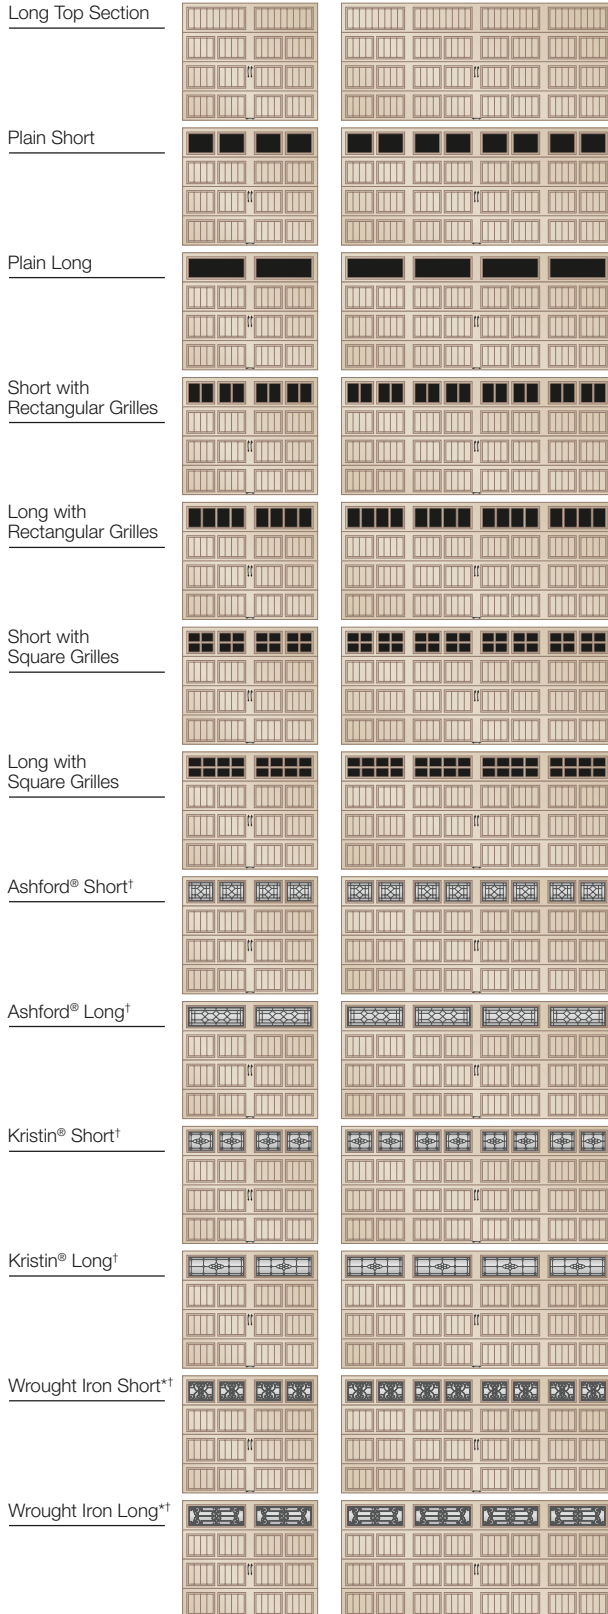

*Not available on Models GD1SU and GD1LU.*

Long and short windows may be used in any Gallery® 3-layer model. Double strength glass is standard. Optional obscure, 3/4" insulated and 3/4" insulated obscure glass are available on all Gallery® 3-layer models, Wrought Iron and decorative grilles.

\*Complements Clopay Entry Door glass.

## Additional Features

Large authentic arch window designs. Ultra-Grain® window frames, grilles and inserts are color coordinated to Medium, Dark and Walnut finishes.

Energy-efficient thermal break. Polyurethane model shown.

- 2" or 1-3/8" thick sandwich construction consisting of exterior and interior steel skins filled with Intellicore® polyurethane or polystyrene insulation makes these doors strong, energy efficient and quiet.
- Hot-dipped galvanized steel interior and exterior skins with a baked-on primer and top coat help ensure a virtually maintenance-free door with long-lasting beauty.
- Nylon rollers are quiet and durable.
- Corrosion-resistant, aluminum bottom weatherseal retainer and vinyl astragal help seal out the elements.
- See your Clopay Dealer for WINDCODE® door availability.

## Decorative Hardware

### STANDARD

Note: Decorative hardware options vary based on door widths. Standard hardware is not provided if a lock is chosen. See your Clopay Dealer for details.

### OPTIONAL

\* Aluminum construction.

\* Door may not open properly if installed near the top depending on opening dimensions and lift type. See your Clopay Dealer for more details.

## A FOCUS ON *green.*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Gallery® Collection three-layer construction helps conserve natural resources by providing a durable, reliable, low-maintenance, energy efficient door. Long-lasting steel doors and hardware are impervious to moisture and will not rot, warp or crack, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling.
